ABOUT:

Hello there, my name's Sergio Adrián de Jesús Colón. I'm a 2D/3D Artist and Animator. I pursued a Bachelor's Degree of Arts in Communication with a major in Animation, Visualization and 3D Interactivity which has lead me to working as an intern in Embodee PR LLC, and as a Graphic Operator in WAPA TV. I have a passion for creating 3D models in Blender and Autodesk Maya and 2D Illustrations in Clip Studio Paint and Photoshop.

EXPERIENCE:

- Graphic Operator - WAPA Deportes (Jul. 2023 - Present)
 - Create graphics and animations for live sports shows.
 - Display graphics with relevant information during live segments.
 - Use the Chyron to assign relevant information for future use during shows.
- Technology Teacher - Academia Cristo Rey (Aug. 2022 - Jun. 2023)
 - Design Photography, and Blender-based 2D/3D Art and Animation courses.
 - Teach an average of 150 students grades 7th to 12th.
 - Modify instructional methods and strategies to meet diverse student needs and interests.
- Intern - Embodee Internship Program (Jan. 2020 - Mar. 2020)
 - Designed 3D models of clothes for the company's clients: Adidas & Nike.
 - Translated 2D images to 3D models of the company's products to be published on their website.

ACHIEVEMENTS:

- Chamber of Commerce and Export of PR - Aug. 2018
 - E-Commerce / Graphic Design Workshop
- Atlantic University College - Aug. 2019
 - Animation, Gaming, Photography and Sound Editing Workshops
 - 100 accumulative hours
